IAPMR CON 27

27th, 28th, 29th & 30th

JANUARY 2027

NAGPUR

THEME:

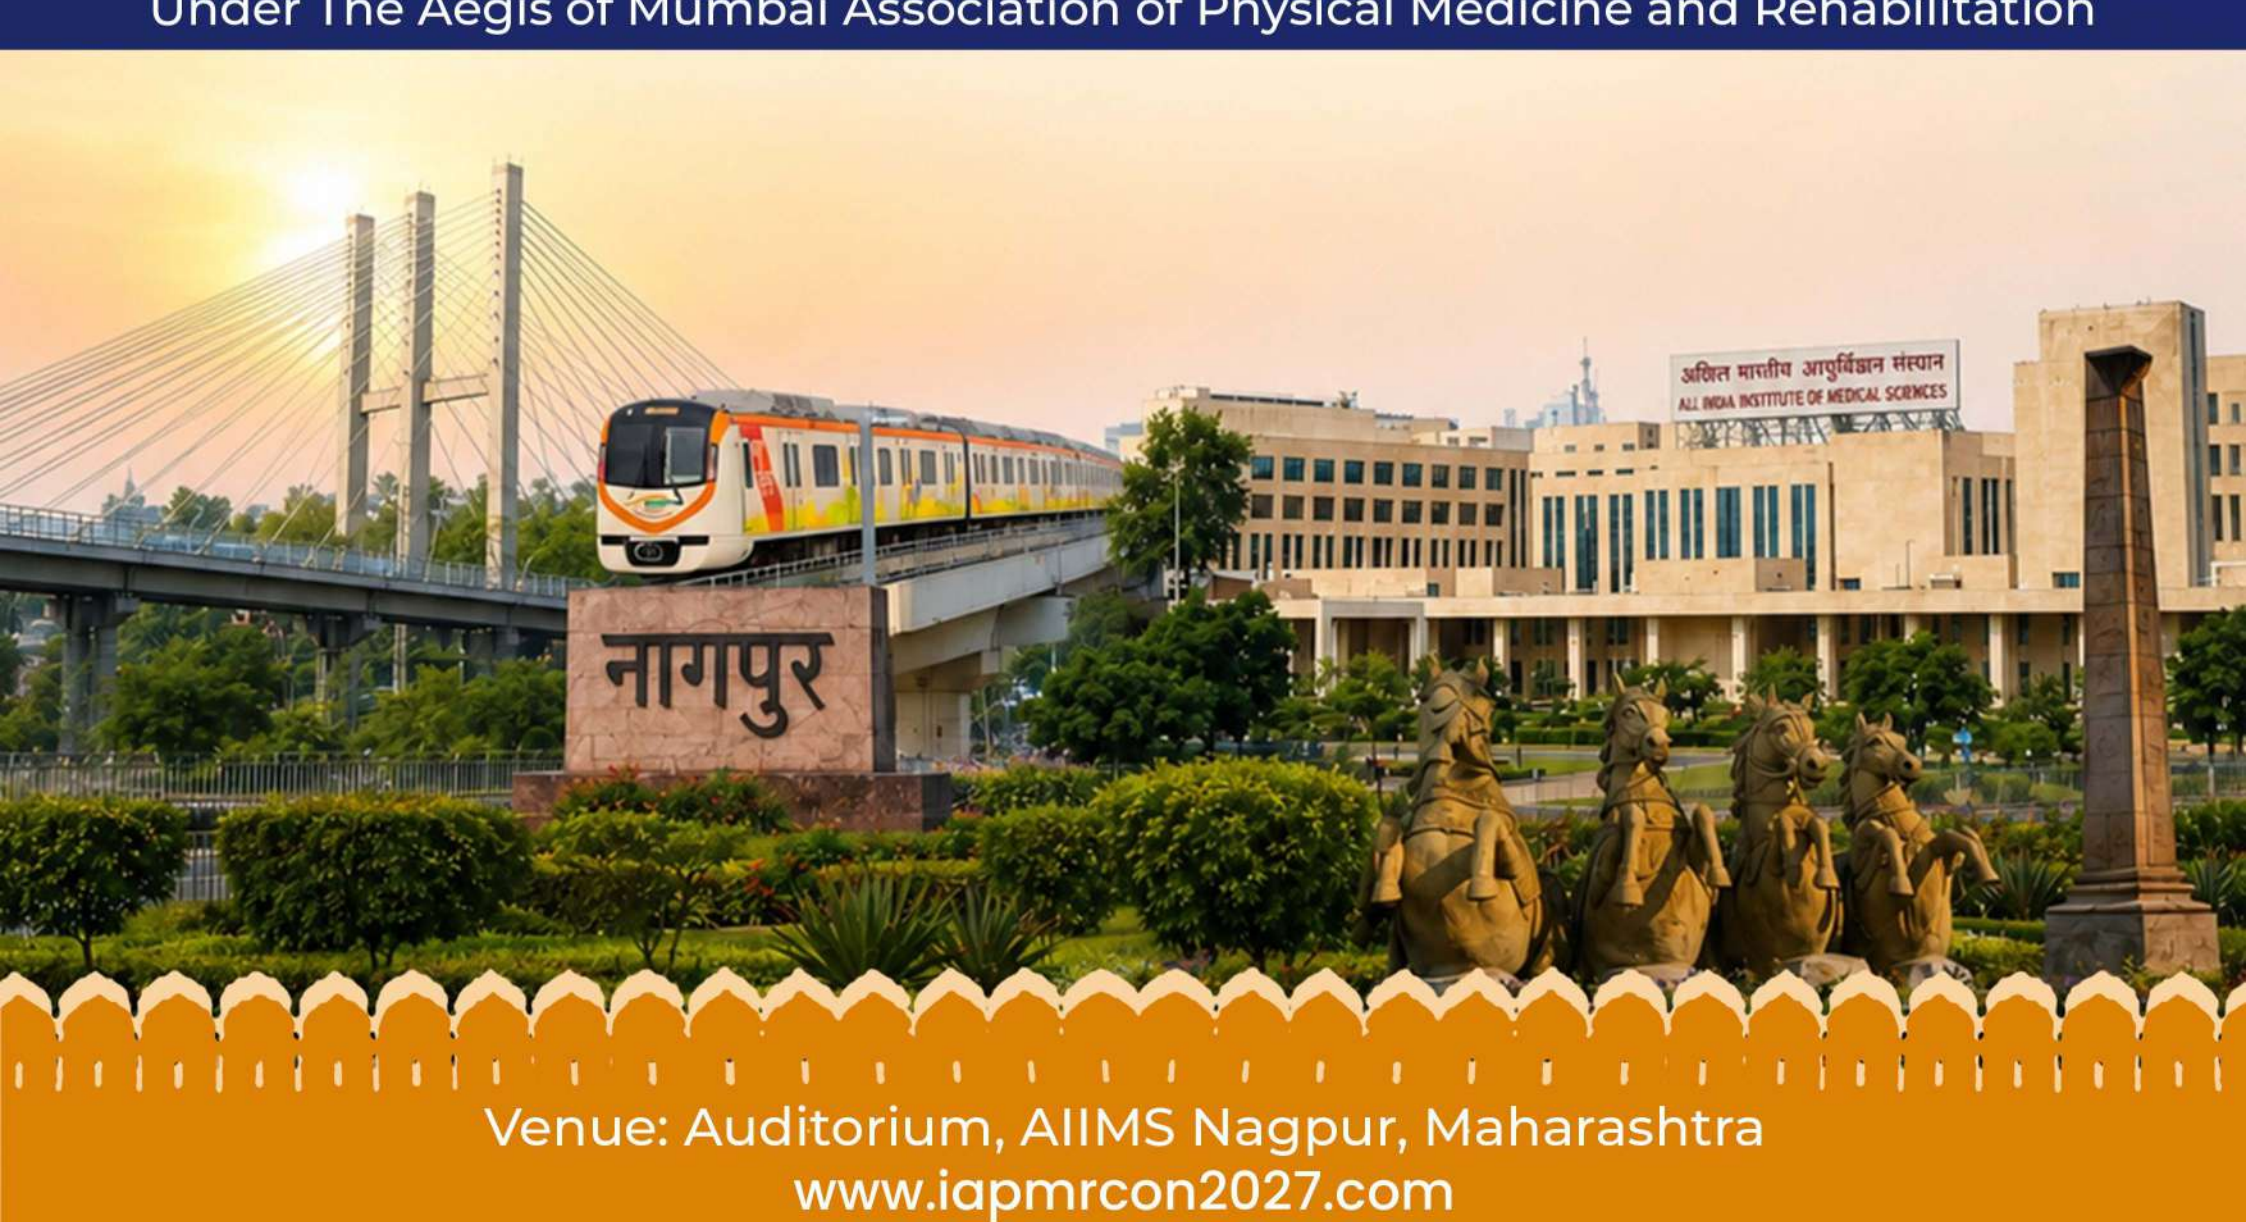

Advancing Rehabilitation:
Integrating Innovation, Evidence & Inclusivity

55th ANNUAL NATIONAL CONFERENCE OF THE INDIAN ASSOCIATION OF PHYSICAL MEDICINE & REHABILITATION

Host:

Department of Physical Medicine and Rehabilitation, AIIMS Nagpur

Under The Aegis of Mumbai Association of Physical Medicine and Rehabilitation

Venue: Auditorium, AIIMS Nagpur, Maharashtra

www.iapmrcon2027.com

Welcome to Nagpur

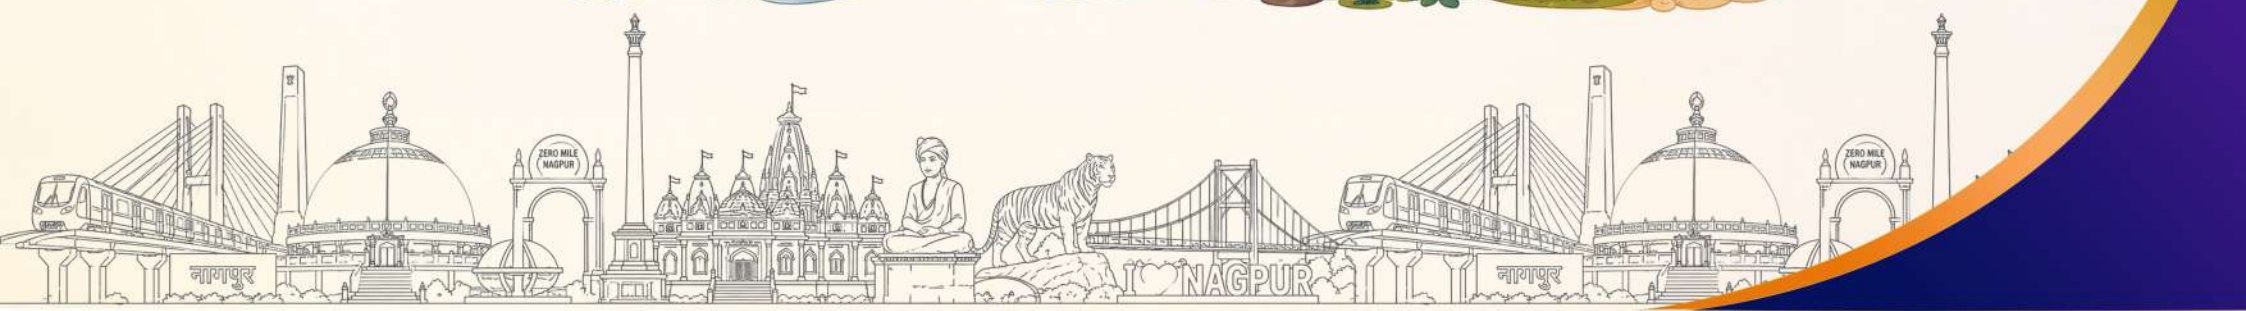

The Tiger Capital & Heart of India

The "Orange City of India," Nagpur offers a perfect blend of rich heritage, modern urban infrastructure, and vibrant Vidarbha culture. Situated at the geographical heart of the country, it stands as one of India's fastest-growing hubs for healthcare, education, and innovation.

Explore the serene spiritual atmosphere of Deekshabhoomi, unwind with sunset views along Futala Lake, and experience the warmth of a city home to premier institutions like AIIMS Nagpur and MIHAN. Indulge your palate with the bold, iconic flavors of authentic Saoji cuisine, and discover a region known as the Gateway to India's finest tiger reserves—where pristine nature meets modern life.

Join us in Nagpur for a conference experience that combines meaningful conversations with the unique warmth, healthcare excellence, and rich hospitality of Central India—where professional growth meets unforgettable experiences.

Welcome to AIIMS, Nagpur

IAPMRCON 2027 | Department of Physical Medicine & Rehabilitation

Dear Colleagues and Friends,
Greetings from AIIMS Nagpur!

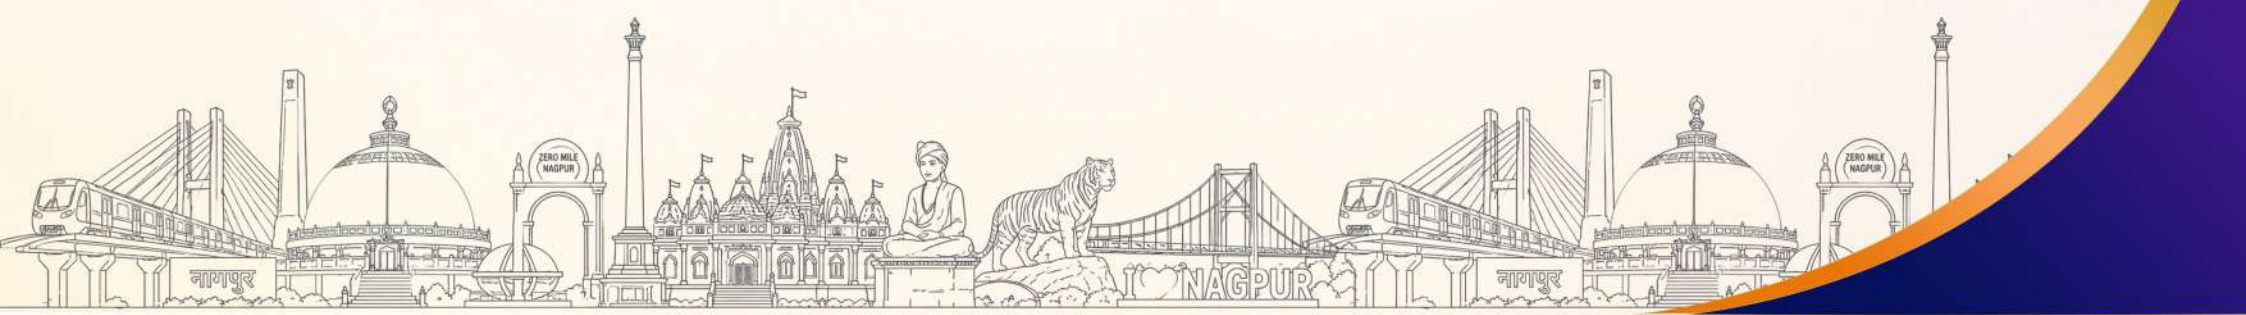

It is our immense privilege to welcome you to I**APMRCON 2027,** the Annual Conference of the **Indian Association of Physical Medicine & Rehabilitation**. Hosted at AIIMS Nagpur—an **Institute of National Importance**—this edition brings together distinguished national & international experts to shape the future of rehabilitation medicine.

Key Highlights of the Conference:

- **Cutting-Edge Scientific Program:** High-impact keynote lectures, interactive workshops, panel discussions, and paper presentations.
- **Core Vision:** Advancing innovations in Physical Medicine & Rehabilitation to enhance patient care and quality of life.
- **Premier Venue:** Experience world-class academic infrastructure, research facilities, and medical excellence at AIIMS Nagpur.
- **Central India's Hospitality:** Enjoy Nagpur's famous heritage, scenic lakes, wildlife reserves, and authentic local cuisine.

Your active participation will drive this gathering to grand success. We look forward to welcoming you for an unforgettable academic and cultural experience!

Warm Regards,
Organising Committee | IAPMRCON 2027
Department of Physical Medicine & Rehabilitation, AIIMS Nagpur

Welcome from the President Desk of IAPMR

Dear Colleagues,

It is my great pleasure to invite you to **IAPMRCON 2027,** the **55th Annual National Conference of the Indian Association of Physical Medicine & Rehabilitation,** to be hosted by the **Department of Physical Medicine & Rehabilitation, AIIMS Nagpur.**

Our annual conference is a celebration of academic excellence, innovation, and collaboration. It provides a unique platform for clinicians, academicians, researchers, and rehabilitation professionals from across the country to exchange knowledge, share experiences, and explore the latest advances in Physical Medicine and Rehabilitation.

I am confident that the Organising Committee has curated an outstanding scientific program featuring renowned faculty, stimulating discussions, hands-on workshops, and opportunities for meaningful professional interaction. Equally, the vibrant city of Nagpur and the warm hospitality of AIIMS Nagpur will make your experience truly memorable.

I warmly invite all delegates, postgraduate students, and rehabilitation professionals to participate in IAPMRCON 2027 and contribute to the continued advancement of our specialty.

I look forward to welcoming you all to Nagpur.

With Warm Regards,
Dr. Muralidharan P. C.
President, IAPMR
Indian Association of Physical Medicine & Rehabilitation

Welcome from the Organising President and Chairman Scientific Committee

Dear Colleagues,

It gives me immense pleasure to welcome you to **IAPMRCON 2027,** the **55th Annual National Conference of the Indian Association of Physical Medicine & Rehabilitation.** It is indeed a privilege to invite you to this prestigious scientific gathering, where experts, academicians, clinicians, researchers, and young professionals from across the country will come together to celebrate excellence in rehabilitation medicine.

The Organising Committee has meticulously designed a vibrant academic program that brings together eminent national and international faculty, cutting-edge scientific sessions, interactive workshops, and opportunities for meaningful collaboration. I am confident that the conference will provide an enriching platform to exchange knowledge, share innovative ideas, and explore the evolving frontiers of Physical Medicine and Rehabilitation.

Hosted at the esteemed **AIIMS Nagpur,** this conference reflects our collective commitment to advancing rehabilitation sciences and improving the quality of life of individuals with disabilities through evidence-based practice, research, and multidisciplinary care.

I encourage you to actively participate, engage in stimulating discussions, strengthen professional networks, and enjoy the warm hospitality of Nagpur. Together, let us make **IAPMRCON 2027** an inspiring, memorable, and impactful milestone for our specialty.

I look forward to welcoming you personally at **AIIMS Nagpur.**

With warm regards,
Dr. Abhishek Srivastava
Organising President – IAPMRCON 2027
Director, Centre for Physical Medicine & Rehabilitation
Consultant in Rehabilitation Medicine & Neurorehabilitation
Specialist Kokilaben Dhirubhai Ambani Hospital, Mumbai

Message from the Organising Chairman

Dear Colleagues and Friends,

It is my immense pleasure to welcome you to **IAPMRCON 2027,** the **55th Annual National Conference of the Indian Association of Physical Medicine & Rehabilitation,** to be hosted at the prestigious **All India Institute of Medical Sciences (AIIMS), Nagpur.**

On behalf of the Department of Physical Medicine & Rehabilitation and the entire Organising Committee, I extend a warm invitation to delegates, faculty members, researchers, and postgraduate students from across the country to join us for this landmark academic gathering.

AIIMS Nagpur, one of India's premier institutes of national importance, provides an ideal setting for meaningful scientific exchange, innovation, and collaboration. We have curated a comprehensive academic program featuring renowned experts, engaging scientific sessions, hands-on workshops, and opportunities for enriching discussions that will inspire learning and advance the field of Physical Medicine & Rehabilitation.

Beyond academics, we hope you will experience the warmth of Nagpur's hospitality, reconnect with colleagues, build new professional relationships, and create lasting memories during your stay.

We eagerly look forward to welcoming you to AIIMS Nagpur and making **IAPMRCON 2027** a truly memorable and rewarding experience.

Warm regards,
Dr. Swapnil Sonune
Organising Chairman – IAPMRCON 2027
Associate professor and head
Department of Physical Medicine & Rehabilitation
AIIMS Nagpur

Message From The Organising Secretary of IAPMRCON & Secretary IAPMR

Dear Delegates,

It is with immense pleasure that I welcome you to **IAPMRCON 2027,** the **55th Annual National Conference of the Indian Association of Physical Medicine & Rehabilitation,** hosted by the **Department of Physical Medicine & Rehabilitation, AIIMS Nagpur.**

Our organizing team is committed to delivering a conference that combines scientific excellence with warm hospitality. The program has been thoughtfully designed to include inspiring keynote lectures, interactive workshops, free paper presentations, panel discussions, and valuable networking opportunities for professionals dedicated to rehabilitation medicine.

Beyond the academic sessions, we invite you to experience the vibrant culture, hospitality, and unique charm of Nagpur. We are confident that your participation will make this conference a memorable and enriching experience.
On behalf of the entire Organising Committee, I extend a heartfelt invitation to you and look forward to welcoming you to AIIMS Nagpur for IAPMRCON 2027.

Warm Regards,
Dr. Harshanand Popalwar
Organising Secretary
IAPMRCON 2027
Secretary – IAPMR
Indian Association of Physical Medicine & Rehabilitation

About IAPMR

The **Indian Association of Physical Medicine and Rehabilitation (IAPMR)** is the premier professional organisation representing specialists in Physical Medicine and Rehabilitation (PM&R) across India. Established with the vision of promoting excellence in rehabilitation medicine, IAPMR is dedicated to advancing clinical practice, education, research, innovation, and advocacy for comprehensive rehabilitation services.

With a growing network of over **1,400 members**, including PM&R specialists and postgraduate trainees, IAPMR actively collaborates with national and international organisations to strengthen rehabilitation care. The association conducts annual national conferences, continuing medical education (CME) programs, fellowship training, research initiatives, and public awareness campaigns to promote the specialty.

IAPMRCON 2027, hosted by the Department of Physical Medicine & Rehabilitation, AIIMS Nagpur, will bring together leading academicians, clinicians, researchers, rehabilitation professionals, industry partners, and policymakers from across the country. The conference will provide an exceptional platform for scientific exchange, showcasing innovations in rehabilitation technology, and fostering meaningful collaborations to improve the lives of persons with disabilities.

IAPMR EXECUTIVE COMMITTEE 2025-27

Department of Physical Medicine & Rehabilitation, (AIIMS), Nagpur

The Department of Physical Medicine & Rehabilitation (PM&R) at AIIMS Nagpur is one of the rapidly evolving departments of this **Institute of National Importance,** committed to delivering comprehensive rehabilitation care, quality medical education, and impactful clinical research. Since the inception of AIIMS Nagpur, the department has grown steadily with the vision of **restoring function, enhancing independence, and improving the quality of life** of individuals living with disabilities.

Situated within the state-of-the-art **AIIMS Nagpur campus at MIHAN,** the department provides **evidence-based, multidisciplinary rehabilitation services** for patients with **neurological, musculoskeletal, pediatric, spinal cord, sports, and pain-related disorders.** The department adopts a holistic approach to patient care by integrating **medical rehabilitation** with **physiotherapy, occupational therapy, orthotics and prosthetics,** and **patient counselling,** ensuring **individualized rehabilitation programs for every patient.**

The department is actively involved in undergraduate and postgraduate medical education, fostering academic excellence through structured teaching, clinical training, research activities, and continuing medical education programs. Faculty members regularly contribute to **scientific publications, academic presentations, and collaborative research,** while remaining committed to advancing the specialty of Physical Medicine & Rehabilitation in Central India.

With **modern infrastructure, dedicated rehabilitation facilities, and a patient-centric philosophy,** the department continues to expand its clinical and academic services. It strives to become a **regional centre of excellence in rehabilitation medicine** by promoting **innovation, interdisciplinary collaboration, and community-based rehabilitation initiatives.**

The department is presently led by a team of committed academicians and clinicians:

- **Dr. Swapnil Pramod Sonune –** Associate Professor
- **Dr. Harshanand Popalwar –** Associate Professor
- **Dr. Rohit Gaikar –** Assistant Professor

Together, the faculty members are dedicated to advancing rehabilitation medicine through excellence in patient care, education, research, and innovation, while nurturing the next generation of **physiatrists and rehabilitation professionals.**

As the host department of **IAPMRCON 2027,** we are proud to welcome delegates from across the nation to AIIMS Nagpur and look forward to fostering **meaningful academic exchange, professional collaboration,** and **lifelong friendships** in the pursuit of excellence in rehabilitation medicine.

Workshop 1

Diabetic Foot Management:
From Assessment to Intervention
Venue: Hall A Main Auditorium

Diabetic foot complications are a major cause of morbidity, disability, infection, hospitalisation and lower-limb amputation. Early identification of risk factors, comprehensive foot assessment and timely multidisciplinary intervention can significantly reduce complications and improve functional outcomes. This hands-on, clinically oriented pre-conference workshop is designed to provide participants with a practical understanding of the evaluation and management of diabetic foot problems, with particular emphasis on prevention of complications, ulcer management and limb preservation.

Workshop 2

Comprehensive Cerebral Palsy Rehabilitation:
A Multidisciplinary Approach
Venue: Ground Floor Nursing College

Cerebral palsy is a lifelong neuro developmental condition that can significantly affect movement, posture, communication, participation and independence. Contemporary rehabilitation focuses on early identification, goal-oriented intervention, family-centred care and participation across the lifespan.
This clinically oriented and interactive pre-conference workshop will provide participants with a practical approach to comprehensive assessment and multidisciplinary rehabilitation of individuals with cerebral palsy, with emphasis on translating evidence into meaningful functional outcomes.

Workshop 3

Cadaveric Surgical Workshop on Advanced Flap Reconstruction for Pressure Injuries: Sacral, Ischial and Greater Trochanteric Ulcers
Venue: Anatomy Hall, Medical College

Advanced surgical reconstruction is an important component of the multidisciplinary management of complex pressure injuries, particularly when conservative and non-operative measures are insufficient. Appropriate patient selection, wound assessment, surgical planning and flap selection are essential for durable wound closure, restoration of function and prevention of recurrence.
This specialized cadaveric workshop is designed to provide participants with practical exposure to the principles of flap-based reconstruction for pressure injuries, combining focused didactic teaching with cadaveric demonstrations and hands-on surgical anatomy. outcomes.

Workshop 4

Clinical pearls of NCV–EMG
Venue: Anatomy Hall Ground Floor

Electrodiagnostic medicine is an essential component of modern Physical Medicine & Rehabilitation, providing valuable information for the diagnosis, localization, characterization and prognostication of neuromuscular disorders. Appropriate interpretation of Nerve Conduction Studies (NCS) and Electromyography (EMG) is crucial for clinical decision-making and rehabilitation planning. This interactive, clinically oriented and practical pre-conference workshop is designed to provide participants with a systematic approach to performing and interpreting NCV and EMG studies, with emphasis on commonly encountered clinical conditions and practical electrodiagnostic problem-solving.

Workshop 5

Neuro Rehab NEXT:
Emerging Trends & Innovations
Venue: PMR Dept. OPD Building First Floor

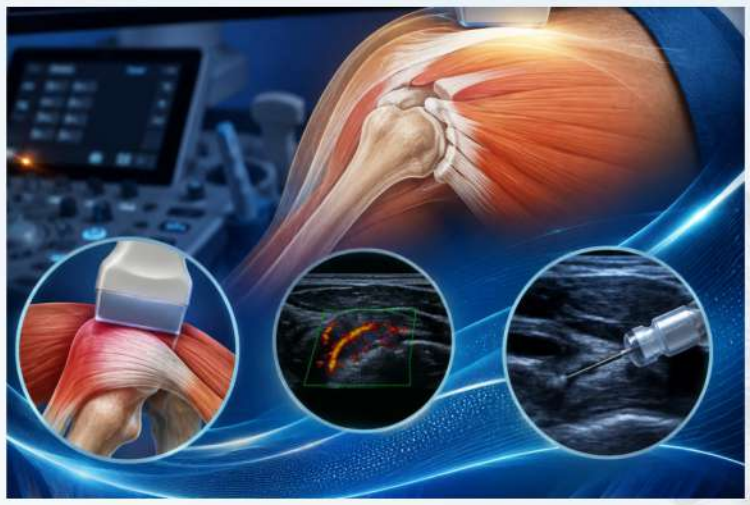

Neuro rehabilitation is a dynamic, multidisciplinary process aimed at maximizing function, independence, participation and quality of life in individuals with neurological disorders. With advances in neuroscience, technology and rehabilitation medicine, contemporary neurorehabilitation focuses on early intervention, intensive task-specific training, goal-oriented therapy and patient-centred care.

This clinically oriented and interactive pre-conference workshop will provide participants with a practical approach to assessment, goal setting and evidence-based rehabilitation across common neurological conditions. The workshop will integrate clinical reasoning, functional assessment, therapeutic interventions and modern rehabilitation strategies.

Workshop 6

MSK Ultrasound:
Scan, Identify & Intervene
Venue: Hall B Main Auditorium

Musculo skeletal (MSK) ultrasound has emerged as an indispensable tool in modern Physical Medicine & Rehabilitation, enabling real-time visualization of muscles, tendons, ligaments, nerves, joints and other soft-tissue structures. Ultrasound guidance enhances the precision, safety and efficacy of a wide range of diagnostic and interventional procedures.

This practical, hands-on pre-conference workshop is designed to provide participants with a structured approach to MSK ultrasound and ultrasound-guided interventions, with emphasis on sonoanatomy, procedural planning, needle visualization and safe injection techniques.

Workshop 7

ICMR BOOT CAMP ON ASSISTIVE TECHNOLOGY

Assistive Technology for All: From Innovation to Inclusion

Assessment • Access • Affordability • Innovation • Inclusion

Assistive Technology (AT) is a powerful enabler of independence, participation and quality of life for persons with disabilities. With rapid advances in digital technology, artificial intelligence, robotics, smart devices and indigenous innovations, the role of AT in modern rehabilitation is expanding rapidly.

The ICMR Boot Camp on Assistive Technology, proposed as a pre-conference workshop of IAPMRCON 2027 at AIIMS Nagpur, will provide an intensive, multidisciplinary and practical learning experience focused on assessment, selection, prescription, application and evaluation of assistive technologies across the spectrum of disabilities.

Thursday

28 January 2027

DAY 1 · NEURO-REHABILITATION

Scientific Programme

TIME	MAIN AUDITORIUM	HALL A	HALL B
08:00–09:30	**S1 · Stroke Rehabilitation** Acute Care to Community	—	—
09:30–10:00	Tea, poster viewing & exhibition	—	**Resident Free Papers (FP M2)**
10:00–11:00	**S2 · Spinal Cord Injury**	**Postgraduate Forum**	Resident Free Papers (FP M2)
11:00–11:30	**S2 · Spinal Cord Injury**	—	Resident Free Papers (FP M2)
11:30–12:00	Auditorium stage preparation	—	Resident Free Papers (FP M2)
12:00–13:00	**INAUGURAL CEREMONY**	—	—
13:00–13:30	Lunch & exhibition	Lunch & exhibition	Lunch & exhibition
13:30–15:00	**S3 · Spasticity, Movement Disorders & Neuroimmune Conditions**	**Faculty Free Papers (FP I)**	**Resident Free Papers (FP II)**
15:00–15:30	Tea, poster viewing & judging	**EC Meeting**	Tea, poster viewing & judging
15:30–17:00	**S4 · Brain Injury, Consciousness, Cognition & Balance**	EC Meeting until 17:00	**De-Bug the Quiz: Eliminator round** (16:00–18:00)
17:00–18:00	**S5 · Paediatric Neurorehabilitation** Focus session (4 talks)	**Postgraduate Forum** Thesis clinic & career pathways	De-Bug the Quiz: Eliminator round
19:30 onward	Faculty Dinner · Main Auditorium	—	—

Note: Pre-conference · Wednesday, 27 January: Workshops (separate programme); Presidential Dinner at 19:30.

• Faculty free papers: 13:30–15:00 in Hall A. Resident free papers: 09:30–12:00 and 13:30–15:00 in Hall B. Paper titles will be announced after abstract review.

• The Postgraduate Forum has a 10:00–11:00 slot and a 17:00–18:00 thesis-clinic slot in Hall A. EC Meeting: 15:00–17:00 in Hall A.

Scientific session format: Standard talks are 12-minute presentations + 3-minute discussion; focus sessions comprise 4 talks. Chairs and speakers are to be confirmed (TBC). Posters: Poster Hall in the foyer.

Friday
29 January 2027

DAY 2 · MUSCULOSKELETAL & PAIN REHABILITATION
Scientific Programme

TIME	MAIN AUDITORIUM	HALL A	HALL B
08:00–09:30	**S6 · Musculoskeletal Rehabilitation** Evidence Update	**C1 · Grant Writing CME** 08:00–12:00 (4 hours)	**C2 · IAPMR Symposium** 08:00–11:00 (3 hours)
09:30–10:00	Tea, poster viewing & exhibition (Main Auditorium)	Grant Writing CME	IAPMR Symposium
10:00–11:30	**S7 · Interventional Pain & MSK Ultrasound**	Grant Writing CME	IAPMR Symposium until 11:00; thereafter —
11:30–12:00	**Keynote 1** Evidence synthesis in PM&R	Grant Writing CME	—
12:00–12:30	**Keynote 2** Chronic pain as a disease	CME concludes at 12:00	—
12:30–13:30	Lunch & exhibition	Lunch & exhibition	Lunch & exhibition
13:30–15:00	**S8 · Sports, Para-sport & Exercise Medicine**	**Faculty Free Papers (FP III)**	**Resident Free Papers (FP IV)**
15:00–15:30	Tea, poster viewing & judging	Tea, poster viewing & judging	Tea, poster viewing & judging
15:30–16:00	Time kept free before General Body Meeting	**S9 · Peripheral Nerve, Electrodiagnosis, Hand & Rheumatology**	—
16:00–17:00	**IAPMR General Body Meeting**	S9 · Peripheral Nerve, Electrodiagnosis, Hand & Rheumatology	—
17:00–18:00	IAPMR General Body Meeting	**S10 · Orthopaedic & Trauma Rehabilitation** Focus session (4 talks)	—
19:30 onward	Gala Dinner & Cultural Evening	—	—

Note: Keynotes: 30 minutes each. S9 and S10 are held in Hall A while the General Body Meeting takes place in the Main Auditorium (16:00–18:00).

• Grant Writing CME: 08:00–12:00 (4 hours, including tea break 09:30–10:00). IAPMR Symposium: 08:00–11:00 (3 hours, including tea break 09:30–10:00).

• Faculty free papers are in Hall A and resident free papers in Hall B, 13:30–15:00. Paper titles will be announced after abstract review.

Saturday

30 January 2027

DAY 3 · TECHNOLOGIES, GERIATRIC, CARDIOPULMONARY & OTHERS

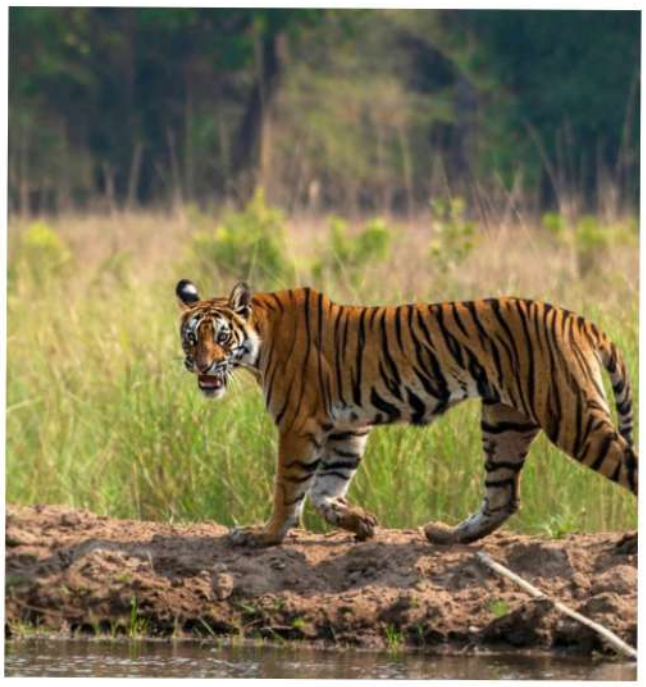

Scientific Programme

TIME	MAIN AUDITORIUM	HALL A	HALL B
08:00–09:30	**S11 · Palliative Care & Rehabilitation**	**C3 · Traumatic Brain Injury Symposium** 08:00–11:00 (proposed; to be confirmed)	—
09:00–09:30	—	TBI Symposium	**IAPMR Fellowship Examination** Hall entry from 09:00
09:30–10:00	Tea, poster viewing & exhibition	TBI Symposium	Fellowship examination (exam begins 09:30)
10:00–11:00	**S12 · Cardiopulmonary, Critical Care & Post-COVID Rehabilitation**	TBI Symposium until 11:00	IAPMR Fellowship Examination (until 11:00)
11:00–11:30	S12 · Cardiopulmonary, Critical Care & Post-COVID Rehabilitation	**Young Investigator Award Finals**	—
11:30–12:00	**De-Bug the Quiz: Grand Finale**	Young Investigator Award Finals	**IIT Bombay Innovators Panel** Medical innovation in advancing rehabilitation technologies in India
12:00–12:30	De-Bug the Quiz: Grand Finale	**Faculty Free Papers (FP V)**	IIT Bombay Innovators Panel / audience questions
12:30–13:00	**VALEDICTORY FUNCTION**	Faculty Free Papers (FP V)	**Resident Free Papers (FP VI)**
13:00–13:30	Lunch & exhibition	Faculty Free Papers (FP V)	Resident Free Papers (FP VI)
13:30–14:00	Lunch & exhibition	Lunch & exhibition	Resident Free Papers (FP VI)

Note: Young Investigator Award Finals: 4 presentations (12 + 3 minutes each), 11:00–12:00 in Hall A.

- IAPMR Fellowship Examination: hall entry from 09:00; examination 09:30–11:00 in Hall B. TBI Symposium in Hall A: 08:00–11:00 (proposed; to be confirmed).
- IIT Bombay Innovators Panel: 11:30–12:30 in Hall B, including audience questions. Faculty free papers: 12:00–13:30 in Hall A; resident free papers: 12:30–14:00 in Hall B.
- Programme ends at 14:00. Main Auditorium lunch follows the Valedictory Function (13:00–14:00); Hall A sessions conclude at 13:30 and Hall B sessions at 14:00.

Accomodation in Nagpur

Hotel Le Méridien, Nagpur

Distance from AIIMS Nagpur: 4-5 km

Radisson Blu Hotel, Nagpur

Distance from AIIMS Nagpur: ~12–15 km (~20–25 min drive via Wardha Road).

The Pride Hotel Nagpur (Pride Premier)

Distance from AIIMS Nagpur: 9–12 km (~15–20 min drive)

Ginger Nagpur City Center, Nagpur

Distance from AIIMS Nagpur: ~5–7 km (approximately 10–15 minutes by road, depending on traffic).

Hotel Airport Center Point, Nagpur

Distance from AIIMS Nagpur: 9–11 km

Hotel Center Point, Nagpur

Distance from AIIMS Nagpur: 14–15 km

The Venue- AIIMS Nagpur

Spread across a **150-acre smart campus in the MIHAN** region, **AIIMS Nagpur** is one of Central India's premier medical institutions, offering world-class infrastructure and a serene academic environment. The conference will be held in the **State-of-the-Art AIIMS Nagpur Auditorium,** one of the finest and largest auditoriums in the city, with a **Seating Capacity of ~1,000 Delegates and Modern Audio-Visual Facilities for an Exceptional Scientific Experience.**

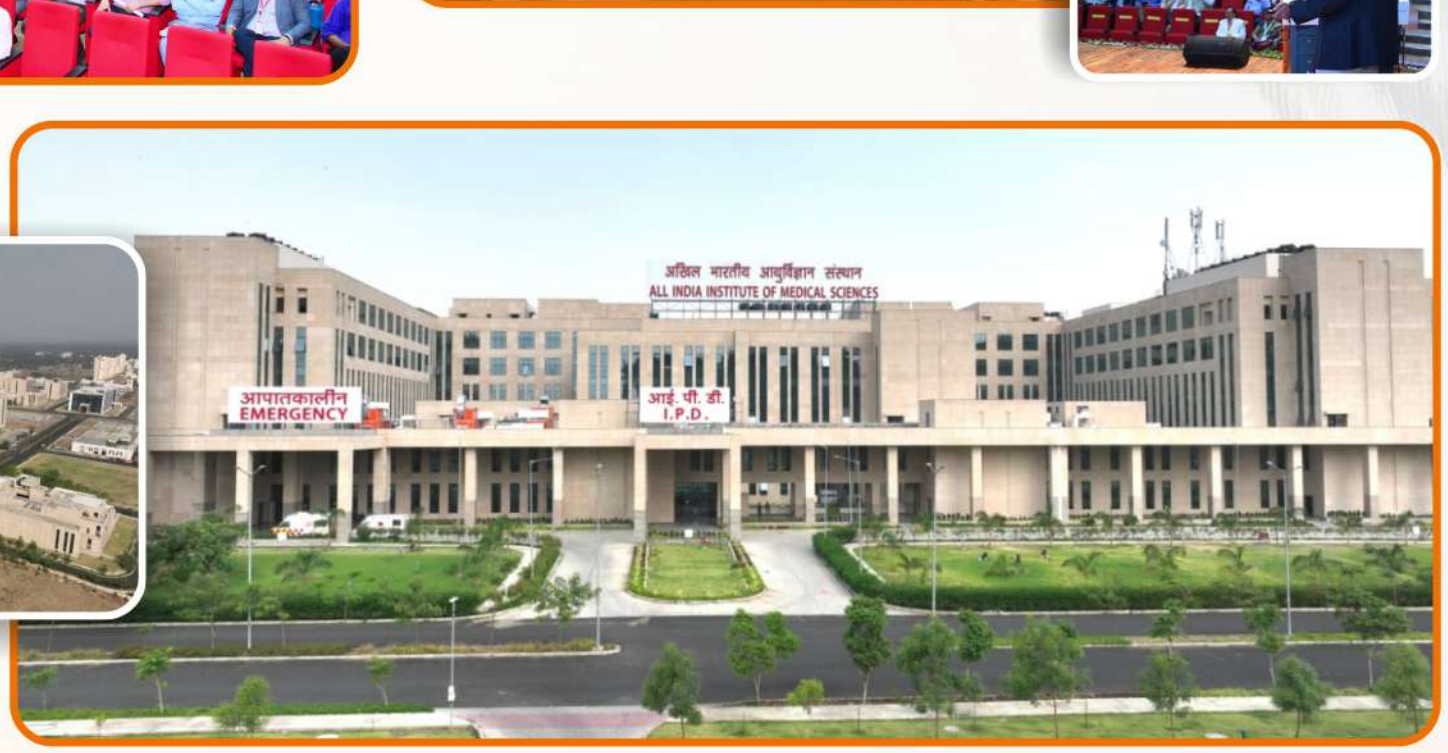

Strategically located just **5 km from Dr. Babasaheb Ambedkar International Airport** and **15 km from Nagpur Railway Station,** AIIMS Nagpur is easily accessible by road, metro, and air, ensuring seamless travel for delegates from across India.

International Delegates !

Welcome to Nagpur, India

We are delighted to welcome international delegates to IAPMRCON 2027, to be held in Nagpur, Maharashtra, India.

Nagpur is centrally located in India and is well connected by air and rail to major Indian cities. The city is served by **Dr. Babasaheb Ambedkar International Airport (IATA: NAG)**, making it convenient for international delegates travelling to the conference.

We recommend that international participants plan their travel and visa arrangements well in advance of the conference.

How to Reach Nagpur

By Air – Recommended

The primary gateway to Nagpur is:

Dr. Babasaheb Ambedkar International Airport, Nagpur (NAG) Nagpur Airport is an international airport with domestic and international connectivity.

Current scheduled services include connections to major Indian cities such as **Delhi, Mumbai, Bengaluru, Hyderabad, Kolkata, Ahmedabad and Pune,** as well as international services including **Doha** and **Sharjah.** Flight schedules are subject to change, and delegates should check the latest schedule with the airline before booking.

Or

International City -> **Doha** -> **Nagpur**

Qatar Airways currently operates services from Nagpur via Doha, providing convenient onward international connections

Conference Visa

A Conference Visa may be applicable to foreign nationals attending a conference, seminar or workshop in India. It may require an invitation from the conference organizer and, where applicable, relevant government clearances.

The visa may be issued for the required period, subject to applicable rules, and cannot exceed six months.

e-Visa

India offers an **e-Visa facility for eligible foreign nationals**, including conference attendance for eligible applicants. Eligibility, permitted entry ports, validity, fees and other conditions depend on the applicant's nationality and applicable rules. Delegates are strongly advised to check the latest **official Government of India visa requirements** before making travel arrangements.

Important Visa Requirements

International delegates should ensure that:

- Your passport is valid for at least six months at the time of visa application.
- Your passport has sufficient blank pages as required by Indian immigration authorities.
- You have a confirmed return or onward journey ticket.
- You carry your conference registration confirmation and invitation letter, where applicable.
- You retain a copy of your hotel/accommodation confirmation.
- You carry proof of sufficient funds for your stay, if required.
- You verify whether your nationality requires a Conference Visa, e-Visa or regular visa.
- You check the permitted airport/port of entry for the visa issued to you.

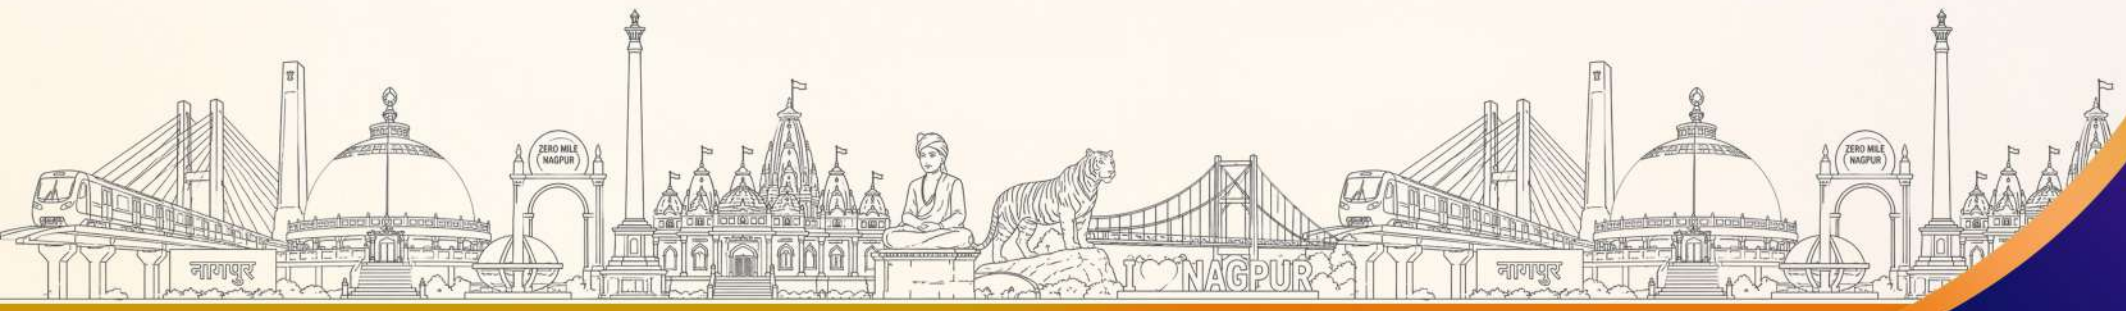

The Government of India specifies passport validity and other requirements for conference and e-Visa applicants.

Special Visa Considerations

Certain nationalities and categories of applicants may be subject to additional procedures or prior government clearances.
The Ministry of Home Affairs identifies Afghanistan, Pakistan, Iraq, Sudan, foreigners of Pakistani origin and stateless persons among categories requiring prior reference in the Conference Visa process. Such cases can take additional time.
Delegates belonging to such categories are strongly advised to contact the conference secretariat well in advance of their intended travel.

Yellow Fever Requirement

Travellers arriving from or having visited a **Yellow Fever endemic country within the preceding six days** may be required to present a valid **Yellow Fever vaccination certificate.** Delegates should check the latest applicable **health and immigration requirements** before travelling.

Official Government Resources

For the latest visa rules and application procedures, please refer only to official Government of India websites.
